The Battle Of Times Square

Posted Aug 7th 2007 5:30PM by Richard Rothstein

Filed under: Events, Fashion, Humor, News, Photography

R. Rothstein

The notorious and dreaded Gay Agenda Guerillas (GAG) launched a **full frontal assault** on heterosexuals today, targeting the crossroads of the universe during peak tourist season. With the cunning of Al Qaeda, GAG's lavender troops began their recruitment drive early this morning in the heart of New York's Times Square.

Once a beach head was established behind the United States Armed Forces Recruiting Station, the rest of the square fell like a Dick Cheney shooting victim.
